WATER BONDS ARE DEFEATED

General and Special Election on Monday Result In Selection of Trustees and Failure of Municipal Ownership Proposition

The election last Monday resulted in the polling of a good vote and in the selectioin of Ernest Campbell, Chas. Dal Poggetto, Angelo Beretto and George Breitenbach for our city trustees. The proposition to bond Sonoma for $45,000 to acquire a municipal water plant was lost, it having failed to get the neccessary two thirds vote. Over 140 votes were polled for the proposition and 173 against it.

Ernest Campbell received the highest number of votes, 249, which was more than City Clerk Gottenberg, who had no opponent, and received 248 votes. Chas. Dal Poggetto got the next highest vote for city trustee, 230; A. Beretta, 184 votes and Geo. Breitenbach, 170. The other candidates were Chas McDevitt and Robt. Abele.

An analysis of the vote shows that the water vote was almost identical with the vote received by Chas. McDevitt and Geo. Breitenbach, those favoring municipal ownership voting for McDevitt and the exact number 170 opposing it, casting their ballots for Mr. Breitenbach.

The new Board meets Monday to elect a president and canvass the vote.

ANNUAL BENEFIT DANCE FOR ORPHANS A SUCCESS

The Glen Ellen Native Sons had one of the finest dances of the season last Saturday night at Pancrazi auditorium where the benefit for the homeless children fund was given.

The hall was artistically festooned with flags and ferns and the jazz band was the best heard at the famous Glen Ellen dances for a long time. "Glen Ellen knows how," was the popular slogan and a big crowd of dancers and spectators showed their interest in the worthy cause for which the dance was given. While not many maskers appeared on the floor thos who did were the center of much interest. The prizes, a handsome percolator and a fine flashlight, were won by the Godess of Liberty, Mrs. Greever and a brave fire laddie, Mr. Greever.

At midnight a fine supper was served at the Roma hotel. A substantial sum was realized by the members of Glen Ellen Parlor from their laudable undertaking.

BISHOP'S STRONG TALK ON WAR

R. R. Wm. H. Moreland, D. D. Delivered Thrilling Sermon at Trinity Last Sunday Night

It was a pity that a larger congregation did not hear Bishop Moreland last Sunday night for he delivered a war address which was the strongest arraingment of the Kaiser and the enemy yet heard in Sonoma Valley. The noted divine who is a splendid scholar and a student of German letters traced the rise of autocracy and self seeking world power in Germany and verified every statement by quoting from German articles and records.

"The Kaiser is the accursed king of a world drenched with blood. His brow is gilded with the shame and atrocity of ten million murders," shouted the prelate. "Germany has gone over to the devil and has forgotten God.

"Talk about pacifists and peace There shall be no peace without complete victory over the Hun," he cried.

"This is a holy war in which we are engaged and we must be prepared to make every sacrifice to gain victory.

"I would to God that upon every altar an oath was taken today calling for the sacrifice of every dollar if need be to aid in winning the war," said the Bishop.

"And there should be no permitting of strikes in shipyards with men demanding ten dollars a day for their work. They must be told that they, too, must make a sacrifice. And if that does not suffice the people should say to the government: 'you have conscripted our sons to fight for what we know is a just and holy cause, therefore, if necessary, you must in turn conscript labor to build ships,'" he said.

"Germany has forgotten God. Instead of instilling love into the hearts of her people she has taught them deadly hate. God's day of reckoning is coming and it must be in complete victory for the country and the Allies."

CARD OF THANKS

We take this means to express our deep appreciation for the kind words of sympathy and condolence bestowed upon us in the loss of our beloved one, the late Catherine McGimsey. For the beautiful flowers we are also most thankful.

ANGEL OF DEATH CALLS MOTHER

Mrs. Milton McGimsey Summoned Higher and Husband and Children Sorrow

Mrs. Milton McGimsey, who in her school days in old Sonoma will be remembered by all as Catherine Morris, daughter of a pioneer family, was called to the eternal rest last Friday night, her death having occured at Banning where she had gone for her health. Mrs. McGimsey suffered a severe attack of pneumonia last year and since then went into a decline which medical science could not stay. For some time past her condition has been critical and when her husband recently moved to Red Bluff where he had accepted a new position, she was unable to accompany him. She was in Petaluma for a time with her brother who is a physician there and finally went to Banning where it was thought she might be benefited. The sad word reached here however that she was not expected to live a great while and on Saturday the message of her untimely death was conveyed to her dear ones and to the many friends of her school days here in Sonoma Valley.

Deceased was a daughter of J. B. Morris of Agua Caliente and spent her girlhood here. She graduated from the Sonoma High School and about 15 years ago married Milton McGimsey, a young merchant of this place. She leaves her husband and three children; a son and two little girls to mourn her passing. Catherine McGimsey was a beautiful character endowed with all the virtues of a devoted wife and loving mother. Her whole life was characterized by unselfish devotion and conscientiousness. At the funeral Sunday there were many relatives and old friends who came to pay their last respects to her memory and to heap upon her last resting place the season's fairest flowers. Services were at the T. J. McGimsey home here and were conducted by Rev. W. Milliken of Berkeley. "Lead Kindly Light" and "Nearer My God To Thee" were rendered by a trio and after the beautiful words of tribute paid to the departed one by Rev. Milliken the remains were borne to their last resting place on the sloping hillside of Mountain Cemetery. May she rest in peace.

Deceased was 39 years of age and besides her husband and children is survived by her father, J. B. Morris, three sisters, Mrs. J. H. Madison of Petaluma, Mrs. L. L. Rich of Agua Caliente, Mrs. Harry Lutgens of Sebastopol and four brothers, Ed. Morris and Ralph Morris of Agua Caliente, Dr. Russell Morris of Petaluma and James Morris of Denver.

NO APPOINTMENT AT ELDRIDGE YET

Action on Selection of Dr. Dawson's Successor at State Home Postponed Tuesday

It was currently reported that the Board of Managers of the Home at Eldridge of which Robt. A. Poppe is chairmaan, would choes a successor for the late Dr. Wm. J. G. Dawson at their meeting Tuesday night. It was also confidently expected by friends of Dr. A. M. Thomson of this place that he would be named Superintendent of the big institntion for feeble minded children. The appointment however was not made and action was blocked. While it was given out that Dr. Hatch, state superintendent of asylums and reformatories advised that no hasty action be taken, it is said that some of the Board are advocating that civil service take precedence and in the event of acting Superintendent Butler being called to the colors as he is expecting to be, that Dr. Whittington would be the next in line and eligible for the appointment. Dr. Butler has received his commission as Lieutenant but may seek exemption now that he is in charge of the big institution. There are others, too, after the place, one being a former doctor of the institution who is said to have a pull in an influential quarter.

Meanwhile several members of the Board are known to favor Dr. Thomson whose kindly sympathetic attitude, business capacity, medical experience and exceptional recommendations from leading professional men of the state are pointed out as attributes commending him for the poition to which he aspires. It is said that a delegation of prominent Sonoma clubwomen and welfare workers may call on Governor Stephens in the interest of Dr. Thomson's candidacy, although it is generally supposed that the Governor is to take no hand in the naming of the superintendent.

As a matter of fact there is a deadlock on the Board and consequently last Wednesday a clever coup de' etat was pulled off by which for the present the entire matter was pigeonholed.

SERVICE FLAG TO BE BLESSED

Over Forty Boys From the Sonoma Parish To Be Honored For Service In Army and Navy

Tomorrow will be a day of history in St. Francis parish for immediately after the 10:30 o'clock mass the ceremonies attending the dedication of the service flag to honor the young men of the parish gone to war will be dedicated. Forty-five stare indicate the number of the stalwart young patriots who a few short years ago were learning from the good Sisters of the Convent and the parish priest the splendid precepts which now contribute to the unblemished and noble reputation of Uncle Sam's National Army. St. Francis will be proud of the young Americans and will pay them all due honor at the impressive ceremonial which will attend the raising of the emblem tomorrow.

The program which will be carried out in the open air immediately after mass as announced by Rev. T. P. Moran will be as follows:

(1) Prayer
(2) Blessing and raising of the Flag
(3) Address, Senator Herbert Slater.

The congregation will then assemble in the church where the Benediction of the Blessed Sacrament will be given followed by the singing of the Star Spangled Banner, led by the choir. There will be a fine sermon by Father Moran whose theme will be the war, and a framed roll of honor in which all the names of the boys will be inscribed will add to the features of this memorabe morning.

The boys to be honored are the following:

Thomas Richards, John Vincent, Frank Groskopf, Wayne Batchelor, Otto Gericke, Leslie McKinnon, Harry Kennell, Sylvester Nonelli, Frank Nonelli, Julius Sesseurach, Ferdinand Marzo, Wm. Sutter, Ed. Regusci, John Equi, Duffy Lewis, Frank Benoni, W. D. Foley, Antone Keiser, Louie Sobbe, Philip Zeiro, Wm. Kehoe, John Frey, Wm. Kennedy, Ferdinand Daddi, Hazen Cowan, Zeph Marcy, Jack Canaveri, Frank Engler, William Fowler, Basilo Montini, James Kearney, Raymond Duncan, L. Buzini, Thos. Walsh, Peter Perazzo, Robert Hall, Ray McGlynn, George Millerick, Leo Vincent, Newton Dal Poggetto, Peter Boccoli, Oliver Maffei, George Laux, Frank Benjamin and Miss Millie Caminetti.

GLOVE FACTORY FOR SONOMA

Industrial Boom For City Started By Coming of Napa Manufacturing Concern

Sonoma is enjoying an industrial boom such as she has not experienced for many a day, for besides the big Sebastiani cannery there is to be a glove factory in the Masonic building, the ground floor of which has been leased by the California Glove Factory of Napa. A branch of the Napa manufacturing plant has been established here in order to speed up the production of gloves on abig government contract. The electrically operated machines arrived Wednesday and have already been installed. 35 operatives are expected to begin work the coming week. The girls have all been signed up and are local help who right at the beginning are guaranteed $1:25 per day as apprentices for 8 hours work. They can make fine wages when once skillful for the work is piece work and is easily learned. More girls will be put to work and men too are wanted to engage in the industry. The Heggie building will be fitted up for the men workers.

GREAT INTEREST IN LIBERTY LOAN

Sonoma Valley Fired With Enthusiasm As Import of 3rd Liberty Bond Sales is Brought Out

Sonoma Valley is evincing the greatest enthusiasm in the Third Liberty Loan and as the great drive progresses our patriotic citizens will be found eager to take the $81,825 which is our pro rata. While the sales to date are but $6,500 there is abundant show of willingness to be registered in the roll of honor and it is expected that every loyal American in the community will come forward and give the aid which our brave soldier boys fighting over there "must have to win."

Arthur Luce of the Sonoma Valley Bank is carrying on an active campaign as he did for the past loans. He has some capable assistants also and they are all actively at work in the field.

Landers Stevens, the talented resident of Boyes Springs, has been selling bonds up his way and on Wednesday reported the sale of over $2000 worth of bonds.

Mrs. Carrie Burlingame was named by the Sonoma Valley Womans Club to sell bonds in behalf of the Womans Club and she will make an active campaign.

Mrs. Marjorie Buchan Fisk, whose husband left for Camp Grant, Ill., some time ago, has not been slow to find war work to do and she is one of the foremost canvassers for the Liberty Bonds, one of her sales being worthy of particular mention. On Wednesday she sold $200 worth of bonds to a young Grammar school girl, Miss Ida Caccia, who drew her own check for the amount and declared she considered it an honor and a privilege to participate in Uncle Sam's fine offer.

At Flowery district last night there was a splendid patriotic program at the Liberty Rally in which the school children sang most inspiringly and Landers Stevens orated in his usual finished and flowery style.

The Odd Fellows of Sonoma Lodge No. 28 are pledged to each buy a thrift stamp every meeting night and as a result considerable money is to be put into war saving stamps.

President Lynch of the Federal Reserve Bank has advised the Sonoma committee on Liberty Loans to confer with Messrs Sebastiani, S. Ciucci, A. Baccala, P. Rossi and J. Mazzo in order that they may further interest their countrymen in the great financial campaign for the war.

The Union Oil Co., of which Batto & Sons are local representatives, have purchased $1,000,000 worth of Liberty Bonds and will credit to each of its stations throughout the U. S. A. a pro rata of the amount. Sonoma will be included.

If you have not bought Liberty Bonds as yet do so today

SONOMA GROCERS TO COMPLY WITH LATE REGULATIONS ON WHEAT PRODUCTS

Each person 11-2 lbs per week, 6 lbs. per month of wheat flour, wheat bread, macaroni, crackers. Cards are to be issued to families to regulate pro rata and may be secured at local grocers. Consumers are allowed regular purchases on all other flours such as rye, graham, etc.

OLD RESIDENT LAID TO REST

H. C. Manuel, Pioneer Basalt Block Manufacturer Buried Under Auspices of Odd Fellows

H. C. Manuel, who died last Friday at the advanced age of 81 years, was laid to rest on Sunday with all the impressive ceremonial of the Odd Fellows who conducted the services for their late brother. Mr. Manuel was the oldest Sonoma Odd Fellow and the fourth oldest Odd Fellow in the state. The funeral was largely attended by relatives and friends and many and beautiful were the floral pieces.

Hiram C. Manuel was born in Orleans County, Vermont, June 9, 1837. He was the son of Chandler and Betsy Manuel, both natives of Vermont state. When 15 years of age Manuel became a sailor in the great Lakes and after some years came to California in 1857 via steamer. The lure of gold drew him to the mines and he spent several years in Yuba and Nevada counties prospecting. In 1865 he purchased a schooner for freight purposes and went into the shipping business plying between Napa and San Francisco. In 1867 having disposed of his boat he leased quarries in Placer County where he turned out the finest basalt paving blocks. Thereafter he operated extensive quarries in Napa and Solano Counties finally locating in Sonoma where he established a big industry. He operated four quarries here at one time, one on his own tract of 17 acres and the others on leased acreage. From 40 to 50 men were engaged and 16 to 20 horses were used in hauling blocks to tide water and the railroad where they were shipped to various points. At one time as many as 80,000 blocks were shipped out during a month. Mr. Manuel was very prosperous and owned a beautiful home in the foothills besides 60 acres near Calistoga. He was honored with the office of city trustee and was an influential Republican.

In 1865 Mr. Manuel married Miss Nettie Young in the east and of this union seven children were born, all of whom survive the beloved husband and father. The children are Harvey Manuel of San Francisco, Ray Manuel of Sonoma, Leroy Manuel, Mrs. Florence Cutter, Mrs. Pearl Wilkinson of Alameda, Mrs. Bertha Melville of Long Beach and Mrs. Cora Johnson of Los Angeles. Mr. Manuel had twenty-two grand children and five great grandchildren. Fourteen relatives were here from a distance for the funeral Sunday.

Mr. Manuel was away from Sonoma for several years but returned a few years ago and was an active business man, even at the time of his death having a lease on a quarry which was operated under his direction. A short time before his 80th birthday he filled a big contract from one of his quarries.

He was an enterprising and respected citizen of Sonoma for many years and leaves a host of old friends who regret his passing and join with the widow and family in sincerest condolence. Mrs. Manuel will for the future make her home with Mrs. E. Cutter and expects shortly to go to Southern California for a visit with her daughters there.

A REALTY DEAL

E. J. Okell has sold a 1400-acre tract of land in Wooden Valley to W. Moskowitz, a prominent orchardist and farmer in the Sonoma Valley.

Mr. Moskowitz will take charge of his newly acquired property on October 1st and will plant walnuts, set out several fields of alfalfa and otherwise improve it.

Mr. and Mrs. Thorpe (Ella Fischer) have sold their business in Guerneville and gone to San Francisco where Mr. Thorpe has accepted a position.

Rev. Chas. Champlin has resigned his pastorate of the First Congregational Church of Pittsburg.

Resolution Born of War Rally In This Community

The war may have been a long way off before the recent war rally, some of the issues may have been confusing, some of our native born Americans may have thought they were doing something to help win this war and some of our adopted Americans may have thought it was quite natural for them to be luke warm in the present crisis but the point of view of Sonoma has shifted. The great war revival of which Dr. F. V. Fisher was the moving spirit has sounded a new note in the community. There has been a renascence, a regeneration, and overnight, Sonoma Valley resolved almost to a man to forget the trivial phrase, "do your bit" and to give all, and keeping on giving until the dastardly sinful autocracy and militarism shall be obliterated from the earth.

Above all is the sacred self imposed duty felt by each and everyone to stamp out every iota of disloyalty, to ferret out every suspicion of treason and to have it strictly understood that there is no room in Sonoma Valley for any one not for this country and the allies. There can be but two status—for America or against it. It is the business of our newly organized Community Council to mobilize every one in this locality for America and if the presence of pro-German sentiment is suspected to keep it under surveillance until officially reported to headquarters.

This is the sentiment born of the recent war rally and Sonoma has enlisted heart and soul.

Party Lines Need Watching

The great sweeping all absorbing love for democracy must not be confounded with the Democratic political party nor perpetuate in power so called Democrats. It should sound a warning however that there has often been a connection between the words Republic and Republican. Many of our freedom seeking aliens aligning themselves straightway with the Republican party out of respect for the Republic as contrasted with King serving forms of government. The talse analogy between democracy and Democrat is therefore worth pondering over, lest it get a momentum and lead to the building of a temple wherein the Grand Old Elephant (G. O. P.) cannot get a look in. Let us remember that the Republican party has been long the constructive, dependable one and it's principles are the ones we will rely upon, after the war is over and during the reconstruction period in our United States.

The Republican Party is very much alive and alert and does not want citizens of our glorious country tripped up by a catch phrase, and caught in the vortex of word worship and delivered to the Democratic Party because we have blazoned the word democracy in the hearts of our people.

That the "drys" are making the most of war time sentiment and are trying hard to confuse the prohibition and patriotic issues for the purpose of stampeding public opinion is shown in the Senator Grant-Widenmann mixup in Vallejo. The professional reformer could not quite "get" Widenmann because he was a brewer so he conceived the brilliant idea of making it appear that he was an undesirable and disloyal citizen and was menacing the navy yard city in the interest of German propaganda Widenmann had taken lots of abuse from the "drys" but this was more than he could stand and as a result a now famous brawl on the streets of Vallejo was the aftermath of Grant's despicable and unwarranted allegation. The Solano County Council of Defense at a meeting in Fairfield on March 27th completely vindicated Henry Widenmann from the charge of disloyalty and paid him high compliment in the following resolutions:

Whereas, Henry J. Widenmann of Solano county has been accused of disloyalty to his country by one Edward Grant; and,

Whereas, said Henry J. Widenmann is an American citizen, born and reared in the county of Solano, and educated in the public schools thereof, and has always enjoyed the fullest confidence of the people of Solano county; and,

Whereas, Henry J. Widenmann is a member of the State Highway Commission and is also a member of the Boarad of Supervisors of Solano county, and a member of the Solano County Council of Defense; and,

Whereas, this County Council of Defense knows of the loyalty and integrity of said Henry J. Widenmann as an American citizen and as a public officer; and,

Whereas, this County Council of Defense has the fullest confidence in the integrity and loyalty of said Henry J. Widemann as an American born citizen; now, therefore, be it further

Resolved, that this County Council of Defense denounces as untruthful and without any foundation in fact whatsoever, the charges of said Edward Grant, and all similar charges of disloyalty made against said Henry J. Widenmann, and hereby expresses its fullest confidence in the loyalty anl integrity of the said Henry J. Widenmann; and be it further

Resolved, that a copy of this resolutioin be sent to the Hon. W. D. Stephens, Governor of the State of California, to the Secretary of the Navy, to said Henry J. Widenmann and to the newspapers of the State of California.

AN OREGON MAYOR SAYS LIQUOR A PLENTY IN HIS STATE

San Francisco, April 8.—"Wettest of the wet" is the characterizations given the State of Oregon by Mayor F. C. Harley of Astoria, who says that 40,000 blind pigs are flourishing throughout the state and every cellar contains "red eye" and kindred liquids, despite the prohibition law and its upholders.

"Of course the prohibitioin law looks nice, being properly framed and signed," said Mayor Harley at the St. Francis Hotel, "but as to effectiveness, it's all a joke. Some time ago one of the state prohibitionists complained to the Governor that there were 20,000 breweries in operation in private homes. He was short by half. Forty thousand homes are operating and brewing their own beer, and the popular concoction known as "red eye." This all means that tax that the government formerly received is now diverted to private pockets.

"Potatoes, apple peelings, prunes and everything that will answer is being used to make intoxicating liquor, and I think that more intoxicants are consumed today than before the liquor law went into effect."

Mayor Harley has just returned from Washington.

Cashier Perkins has been absent from his duties at the Sonoma Valley Bang on account of an attack of la grippe.

WINE AND CIGARETTES

The Beverage and the Smoke Most Popular in France

In one of his letters from "Over There" to his paper, the Redlands Facts, Lyman M. King, Y. M. C. A. worker, writes as follows:

A little story illustrative of the universal custom of the French people in wine drinking may amuse. And one of the reasons, by the way, for this custom, is the fact that the water of the country is almost universaly bad for health. The rivers are used as sewers, and the horrible state of general sanitation makes wells unusable in most places. The water is boiled and treated with chemicals and filtered foro the American troops, but even the Y. M. C. A. prints a warning to its secretaries to be careful about drinking water, as they go about, though we all took two kinds of inoculation against typhoid before coming. But back to my story.

An officer dropped into a hotel the other day, the hostelry which the Y. M. C. A. has just taken over here. The lady manager was at the desk. A bottle of water was on the little table nearby. The manager was a French woman, by the way, for we had not yet taken over the hotel. "Is this water good to drink?" queried the officer.

A polite shrug of the shoulders and a civil "I do not know, Monsieur," was the answer.

"Surely you have been here some time and know whether the water is good for drinking purposes or not," pursued the American.

"Oui, I have lived here thirty years but I have never tried to drink it," said Madame and she probably told the truth.

Send in your bit to pay for smokes for American soldiers. England and France are sending tobacco to their men. We must supply our fighters.

"Our Boys in France Tobacco Fund," 25 West Forty-fourth street, New Yorok City, has been organized to furnish this tobacco to Americans. Every dollar you contribute buys tobacco with a retail value of at least $1.80, divided into four packages. In each package is a post-card addressed to the donor. On this card the soldier who receives your gift will send you a message of thanks from the trenches.

BOYES SPRINGS NOTES

The Boyes Springs Improvement Club held its regular meeting last Friday night, vice-President Minges presiding. A committee of four was appointed to make arrangements for an entertainment and dance to be given about the middle of May for the benefit of the Boyes Springs Fire Department. The program will probably include horse racing, auto racing and a number of other sporting events. The Fire Department will also give a demonstration of putting out fires, laying of hose, etc. This being a benefit the committee will appreciate any and all suggestions and also the help of any one who would volunteer their services for the entertainment. Due notice will be given of the date of the dance and entertainment.

Lander (Jack) Stevens is handling the Third Liberty Loan Bond drive in this district. He says it is surprising to see how many are responding to the good cause. The names of the purchasers will be published in the next issue of the Index-Tribune. Be sure and have your name in the list for remember, it takes money to buy food for the "boys over there" as well as for bullets to destroy the inhuman monster and his brutal followers.

The coping around the park is now well under way and will be finished in a week or so and then for plants and trees and Boyes Springs will have a park to be proud of.

The new engine house will be finished within a short time and then our little "Red Devil" will have a nice home.

"Uncle" John Grew, the famous globe trotter is a patient at Crane's sanitarium. He had a slight attack of pneumonia but fortunaately it is not a very serious case. His many friends all wish him a speedy recovery.

Henry Newman, one of our foremost citizens is also at Crane's. He has a bad attack af sciatica rheumatism but his friends hope to see him around again soon.

F. "Dad" Dahnken, wife, daughter and chauffeur motored up in their beautiful car last Sunday and are guests at Boyes Springs. Mr. is of the firm of Turner & Dahnken, who have moving picture houses all over the state. Welcome "Dad" to our "Valley of the Moon."

Postmaster Koening, who has been confined to his bed for a week or so with a bad cold, is now up and around again.

Mrs. L. Rochat who has been ill for some time, is on the improve and hopes to be out again soon to call on her many friends. During her confinement indoors she has been doing her "bit" by knitting sweaters for the "boys over there."

It is hard to believe but it is a fact that we have spies in our midst. No, not German spies, but the spy who spies on his fellow man. and then tells about it. It is rumored that one of these spies circulated the story that he saw our "mayor" hanging onto the garden gate talking very confidentially to a handsome widow. How about it "Mayor," guilty or not guilty?

Frank Klein, the new manager of Boyes Springs is recovering from the accident he met with a few weeks ago. He has certainly done a lot of Hooverizing on meats the last few weeks but he really punished the eggs.

The people of this community are wondering why our "lumber king" is smiling all the time for the past month or so. Is it business or otherwise? Man explain thyself.

Joe Ryan (our next sheriff) became a member of the improvement club last Friday night.

Too much credit cannot be given to the women folks of the improvement club. They sure are all good workers and boosters. No wonder that we love them all. More power to the ladies of the Boyes Springs Improvement Club.

Capt. Hansen, Harold Duffy and their wives made a trip to the Geysers last week. All enjoyed the trip.

There is a wonder among us and he is no other than Fred Hansen who puts "jazz" into Boyes water at Boyes Springs and gets "chicks" out of eggs in Sonoma. In the language of Steve, "can you beat it."

Joe Ryan is building his livery stable and Steve will start on his new grill next week. Looks good for Boyes.

To all whom it may concern: "Antonio Spagonioi" Kirby is on deck at the "Oaks" for all his friends. Healdsburg and Santa Rosa friends are especially most welcome.

Mrs. M. Tighe of the St. Dunstan Apartments of San Fransisco is a guest at Boyes Springs. She is so charmed with the valley that she expects to buy some land in the vicinity of Boyes and build a costly summer home.

Sergeant Frank Hodson, late of Vallejo, is now in charge of the Boyes clubhouse. Politness and efficient service is one of Frank's mottos. Good luck, Frank.

HUN BOMB KILLS DOCTOR

Medical Officer Under Colonel Herbert Shaw Meets Death in France

Word comes from Lieutanant Colonel Herbert Shaw in France that one of his chief medical officers had been killed recently by an enemy bomb which crashed through the roof of a building connected with one of the hospitals where the doctor, a young American slept. The victim of the outrage was sitting on the side of his bed when the enemy planes began to bomb the hospital as is their custom. One of the bombs struck the building as the doctor was preparing to get up and he was instantly killed.

Colonel Shaw was deeply affected by the death of his colleague. Shaw is now in charge of nine hospitals at the front and is General Pershing's chief medical inspector for the American army in France. Lieutenant Frederick Duhring's ambulance unit is connected with Dr. Shaw's hospital base. Though Frederick was a mere baby when Dr. Shaw was last in Sonoma they have renewed their old acquaintanship "over there" which is joyous news to the mothers of these splendid soldiers from "the Valley of the Moon."

RED CROSS BENEFIT A SUCCESS

The Junior Red Cross Benefit Dance given Saturday night at the Watmaugh school house was a decided success and not withstanding the rainy weather there was a good crowd present and a neat sum was realized.

The hall was beautifully decorated with flags, ferns and fruit blossoms. The evening was pleasantly spent in dancing and dainty refreshments were served. At a late hour the jolly party broke up and all expressed themselves as delighted to have had the opportunity to combine patriotism with pleasure.

SOCIAL NOTES

Hamel Wagnon, one of our navy boys, participated in the great Liberty Loan parade at Los Angeles and was among the young navy men later entertained at lunch by the Citizens Committee.

Mr. and Mrs. Garry Stock (nee Georgie Andrews) motored up from Kentfield last Saturday and spent the day at the Simmons home. Mr. Stock is raising pork in Marin county.

Mr. and Mrs. Anderson of San Francisco, where Anderson is well known in motor circles, have been up for a sojourn in "the Valley of the Moon." They registered at the El Dorado.

Glen Ellen friends are showering congratulations upon the former Miss Grace Edrington now Mrs. Wm. Laidey. The gracious young lady was very quietly married to the young Napa business man New Year's day in Napa and the secret has just come out.

Mrs. Rogers of Oakland and her two pretty children who have been visiting their folks, the Jerry Allens of Glen Ellen, will motor home tomorrow. Mrs. Rogers was a former Glen Ellen belle. Miss Perle Allen.

Julius Poppe Jr., is the papa of a 9 pound son born in Bisbee, Arizona. Julius married a charming widow of that city last year.

Mrs. Stearns has returned from Paso Robles Springs.

The name of Mrs. Carrie Burlingame who was chairman of the Red Cross lunch at the recent rally was inadvertently omitted in our columns of last week. Mrs. Burlingame is one of Sonoma's most loyal war workers and is deserving of especial mention for her untiring efforts in making the lunch a success. She contemplates a vacation shortly and is to be student at Red Cross headquarters in San Francisco learning how to make bandages so that she may assist in the instruction of our local chapter.

COMPILE HISTORY OF OLD SONOMA

Something About Its Political History from 1835 Up to the Present Time

(From the Index-Tribune of February 29, 1896)
(Continued from last week)

The Sonoma Pueblo Grant had been finally confirmed by the United States District Court, but something more had to be done to settle the matter. The grant had to be surveyed for its exterior boundaries and a patent from the United States applied for. In the absence of any municipal authority to perform such duties the Legislature was petitioned to provide a remedy. In 1868 the Legislature in response to such petition appointed three Pueblo Commissioners, namely Jacob R. Snyder, John Walton and Geo. L. Wratten, who were empowered to survey said boundry line according to the decree of the United States District Court, to procure a patent for the Sonoma Pueblo Grant and to sell any of its land then unsold, and if the proceeds from the sale of such lands were not sufficient to pay the current expenses of the Commission to levy and collect a tax not exceeding one thousand dollars.

Already during the first year of their office the Pueblo Commissioners experienced great difficulty in finding and establishing the northern boundary line as described in the decree of the United States District Court. The line running north from theN. W. corner of lot 544 not striking one of those prominent hills heretofore mentioned, the Commissioners thought that the hill nearest to said bearings was meant in said decree This was the Jones hill, and the Commissioners in accordance with their instructions of said decree, had a line surveyed from the house on the Buena Vista ranch to the Jones hill and from there to the Agua Caliente Creek.

This line was protested by D. Jones and M. Nathanson, two of the settlers on the Government land which adjoined the line. There was a contest before the Surveyor General between the parties named and the settlers came out first best. This disgusted the Pueblo Commissioners so much that they did not do anything further in the matter during their term of office of four years, nor was here anything done for six more years. Of course this state of things could not go on, and the people of Sonoma in 1878 asked the Legislature to appoint three new Pueblo Commissioners. This time the choice fell on Otto Schetter, John Tivnen and G. T. Pauli. The last named Commissioner having died during the term of his office E. E. Morse was appointed to fill the vacancy. These new Commissioners experienced as much annoyance as their predecessors, but they succeeded in having the boundary lines of the Pueblo surveyed to the satisfaction of the Surveyor General, and in time a patent was issued to them in trust for the parties who had bought their lots or lands from the municipal authorties, signed by President R. B. Hayes on March 31st, 1880, releasing any and all claims of the United States to the lands embraced in the grant to the Pueblo of Sonoma. It was a great relief to the property owners, as now they felt sure to have a title to their lots and land.

Ever since the City Charter had been repealed the town or village of Sonoma was a part of Sonoma road district, and although here was the center of population and the most taxes were paid here, the roads in and through Sonoma were neglected by the Board of Supervisors and Roadmaster and other roads were preferred. How to remedy this evil was the problem of the time. Our opportunity came in 1883 when the Legislature passed a general act in conformity with the new Constitution adopted in 1879, under and by which a territory in this State, having a sufficient population, might be incorporated as a municipal corporation.

Judge G. A. Johnson at the time represented Sonoma county in the Senate and as soon as the Act had been passed he sent a copy of it to Henry Weyl. The late A. F. Haraszthy, Henry Weyl and Judge Breitenbach consulted together and it was decided that it would be to the best interests of Sonoma to again form a municipal corporation, that the same should include only the small lots as far south as Germany street and also Mountain Cemetery. The out lots being of thirty-two acres of farming land, formerly included in the Pueblo or city were left out from the boundary for obvious reasons. Judge Breitenbach then drew up a petition to the Board of Supervisors of Sonoma county to order an election in said territory whether the electors thereof desired to have a municipal government or not. The election was held and the affirmative of the question was carried by over a three-fourths majority of the votes.

The election returns were approved by the Supervisors of Sonoma county September 3rd, 1883, and by them filed in the office of the Secretary of State, and from that time Sonoma became a municipal corporation of the sixth class under the name of the "City of Sonoma." The government consisted of five Trustees, who elected one member of its Board President, a Clerk who also serves as Assessor, a Marshal and Collector, and a Treasurer.

The gentlemen who have served as Presidents of the Board of Trustees including the present incumbent, are S. Shocken, A. F. Haraszthy, Chas. McHarvey, Robert A. Poppe, Henry Weyl, Henry J. Seipp and Julius E. Poppe. Under such local government Sonoma has prospered, our streets and sidewalks are in tolerable good condition, we have a Volunteer Fire Department, a Municipal Building, a beautiful Park, and the Public Cemetery contains a Public Receiving Vault. California ranks with any county town of its size in the State of California.

Let the good work go on!

THE END.

How Do Your Sacrifices Compare With These?

THE American boy who goes to war gives up the position which means so much to his future, or the little business which has just begun to show promise of success.

He severs home ties; gives up home comforts; leaves behind parents, friends, wife or sweetheart.

He faces the probability of being obliged to take up life anew when he returns; of losing all the advantages which years of hard work have won for him.

He faces the possibility of coming back incapacitated for earning a living, and of being dependent upon his friends or upon charity.

He faces the possibility of never coming home at all.

Facing these things, he goes to France to fight for us who remain safely at home — and when the moment comes for him to go over the top — he GOES!

What will he think, how will he feel, if we complain because we are asked to make a few sacrifices for him — sacrifices so insignificant when compared with his?

Show him that to invest in Liberty Bonds is not a SACRIFICE but a PRIVILEGE — an appreciation of his sacrifice!

And When You Buy—*Buy!*

DECEIVED? YES, BUT HAPPY

The following article was taken from the Farmers' News of last May when daylight saving was first talked of. It decries the artificial management of speeding up lay-a-beds but now that we are all up and doing by the new "lying face of the little tin clock," everyone admits that it is a success:

Said the Farmers' News in derision:

"The way our grandfathers saved their daylight was to get out of bed at daylight, milk the cows, feed the calves, chickens and pigs, chop some wood, do a few other similar light jobs, have breakfast and at the high tide time of the year, be in the field by half-past six. There with the dew on the grass, the air full of song in the glory of the morning, daylight was truly saved.

"So they told us anyway, when we used to sit down on his knee after supper, before the old fireplace. There we watched the twisting flames licking around the back log and saw fairy truths in the curling smoke, their ever-changing shapes swallowed up in the dark throat if the chimney. Now we know where all the truth has gone. It is up the black throat of that old chimney. On the mantel the old clock tick-tocked, tick-tocked; slowly ticked and slowly tocked, honesty and dignity on its great round face and in its every tick; sincerity in its every look.

"Grandfather's story was true, for then our hearts were young, worldly deceit and selfishness were unbred. Everything was true. We knew the old clock's time was true, for out in the south yard there was a sun dial where we watched the edge of the creeping shadow finally lie on the north and south line, and we knew it was noon. Then we rushed into the old clock and moved the big hand a minute or two so it would tell the absolute truth of the solar day.

"Solar time, sideral time, apparent time, standard time came as the burdensome things in mathematics and astronomy of our school days, shattering another of our many shattered beliefs. Up the great chimney of life whirled some more of our dreams we thought were true.

"It is now to be still worse confounded for there is proposed another time, not that made by God above, not that followed by the Sun or the Planets, nor that figured by exact science; but a simple claptrap piece of something even beneath the dignity of ordinary nonsense. It is simply setting the clolcks ahead an hour, by enactment of law. The papers are full of it. There are posters in the windows boosting for it.

"It is a plan by which man makes himself believe that he is resting in modern luxury until eight o'clock in the morning, when really he is getting up at seven . It is a children's game of make-believe, played by men, a something that is nothing. The great European nations have adopted it and wise men say if the United States will do so it will save millions of dollars.

"As we reckon everything in millions of dollars now, why not set the clocks ahead two hours and possibly we would immediately have saved enough to take up the Liberty Loan?

"Saving is generally a slow and self-denying process, but here is opportunity to do it all in a minute. Then when we need another loan merely set the clock ahead another hour. Thus it seems we are headed for a time when we will have all kinds of time and really no time at all, but we will save millions.

"Grandfather's stories are silenced. The old clock is relegated to the garret. Cobwebs cover its honest face, and its truthful slow tick tock is stilled.

"In a cooped-up flat, on a mantel shelf over a gas heater there is a little pressed tin contraption, stamped out in haste and in some barracks of a factory, tick, tick, ticking as fast as it can tick; racing the day out and racing the night in. There are no stories on grandfather's knee, for everybody has gone to the movies.

"There are no fairy truths in the smoke of a fireplace, for a steam heated has killed such inspiration. This is today. That other was yesterday.

"In all this deceit, this modern cheapness, this nonsense, let us save daylight, yes, but let us save it openly and undeceived, not by the lying face of a little ticking tin clock.

WOMEN OF FEDERATED CLUBS OF AMERICA FURLOUGH COMFORT HOME FUND

The campaign inagurated by the Federation of Women Clubs to provide our soldier boys across the sea with a home when they are on furlough is meeting with hearty response in Sonoma. Mrs. Adam Adler is in charge of the subscription list having been appointed to handle the contributions of the Womans Club at its meeting on the 5th. She is meeting with gratifying success and invites all the ladies who have not yet contributed to send in their donations that she may forward them by Monday.

The clubwomen of America declare that their soldiers have no place with home like comforts when away from the frightful scenes of battle and agony of the war. The clubwomen plan a fine restful, real homelike place for American lads at the Front. The Y. M. C. A. maintain their quarters at training camps and in the war zone only.

The following are the contributors to date:

FOURTH OF JULY IN SONOMA IS BEING PLANNED

The Womans Club is contemplating a grand patriotic demonstration on July 4th, with exercises in the morning and a dance at night. There will be speaking, songs, a band, dedication of a community service flag, flag drills and other features.

SONOMA TO GET MILITARY HIGHWAY CONSTRUCTION

W. G. Scott, executive director of the California National Defense Highway Association, endorses the construction of a military highway through Sonoma Valley to Santa Rosa and the coast. The United States government pays half the cost of these roads for military neccessity. By the terms of the Raker-Poindexter bill Santa Rosa and Sonoma County is to have one of these military highways. The war department will go over proposed routes within two weeks.

The Supervisors have endorsed it.

A FINE AFTERNOON PROMISED

Mrs. Adam Adler and Mrs. R. Watt will be in charge of program and hospitality at the Womans Club next Friday. A splendid program has been arranged. The County Farm Bureau is sending a speaker to address farmers wives of Sonoma Valley, all of whom will be welcome.

Larry Larsen, brother of Mrs. Tom Baines, is here on a visit.

Mrs. Burmester and son visited in Oakland last Thursday.

Mr. McKinnon was a visitor at the Dowdall home the fore part of the week.

CLUB NOTES

At the regular club meeting at the clubhouse, April 5th, a good number of ladies were in attendance. Miss Bessie Venton and Miss Shirley Ward were elected to membership.

The committee in charge of packing old clothing for the Belgian Relief reported sending a case weighing 330 lbs to headquarters in San Francisco. Mrs. C. Burlingame, assisted by Mrs. Emma Watt and Mrs. H. D. Burmeister, were appointed to assist in the Third Liberty Loan drive.

A communication was read showing that the Federated Club Women of the United States had undertaken the work of providing places of recreation for "our boys" abroad when on furlough and every club woman was asked to give one dollar or more. Mrs. Florence Adler consented to take charge of collecing this fund and the ladies present responded generously. It is hoped that every club woman and friend will meet with this request.

Mrs. Jack Murray, delegate to the District Convention in San Francisco March 19-21st, made an interesting report. She noted in particular that all the clubs seemed to be centeing every energy in Red Cross work.

It was with delight that the club was able to vote that $100 be paid off on the mortgage, this being made possible largely through the money raised at the Don Theatre entertainments.

The date for the final card party of the winter series was set for Wednesday evening, April 17th.

The following committee was appointed to bring before the club some good plan for a Fourth of July celebration: Mrs. Florence Adler, Mrs. Perle Hunter, Mrs. C. G. Murphy, Mrs C. Burlingame and Mrs. Olga Campbell.

VINEBURG

Joseph Miller the well known fruit man was in this vicinity last Wednesday. He was accompanied by Mrs. Miller.

We are pleased to inform the many friends of Louis Roquie that he is getting along very nicely after his recent accident at Mare Island and will soon return to his Vineburg home. Welcome Louie.

The Kearney brothers finished the plowing on the Rhine Farm Vineyards Wedneseday forenoon. They made record time and all admit that when it comes to plowing vineyards the Kearney boys know their business.

Last Sunday Vineburg assumed her old time aspect with the arrival of visitors from every section to enjoy her widely known hospitality. Vineburg Inn and Vineyard Villa were both thronged with pleasure seekers.

Plowing is now going on in full blast and all available teams are being used. Dresel & Co., have nine teams at work. Gundlach-Bundschu also have a large number of teams plowing.

Fred Batto accompanied by his son "Buddy" motored to Contra Costa county the last week end where they were the guests of friends. They had a fine time.

Miss Mary Batto is visiting friends in San Francisco at the present time.

Charles Groskopf, the popular deputy road master and social favorite is enjoying a well earned rest.

A large number of Vineburg friends of the late Mr. Manuel attended his funeral in Sonoma last Sunday.

Frank Kennedy, who has been the guest of Mr. and Mrs. Gaston Raynall at Vineyard Villa for the past month returned to his home in San Jose last Sunday.

Ellis Vernon, Louis Volquardsen, James Thomas and Nick Carriger went fishing in the tules last Tuesday. They caught so many fish that now there is not enough left to make a sack of beef scraps. Wait until "Papa" Weinstock hears about it.

Louis Martin visited the metropolis Thursday and combined business with pleasure.

A most enjoyable little birthday party as given at the home of Mr. and Mrs. Fred Batto Friday afternoon, April 5th, on the fifth birthday of their youngest son, Herbert John Batto. The dining room where some sixteen of his young friends sat down to a dainty repast, was decorated like the retreat of some fairy princess. Little Herbert received many presents and sincere congratulations. The little guests were waited upon by Mesdames Chas Mc-Devitt of Sonoma, Frank Knolle and Fred Batto of Vineburg. All enjoyed a most pleasant afternoon.

B. MORI CALLED BY EXEMPTION BOARD FOR EXAMINATION

B. Mori, the popular proprietor of the Mission Fruit market, has been called to Santa Rosa by the District Exemption Board for examination and may be included in the next draft.

Mori was married a few months ago to a charming young lady from the state of Sonora, Mexico. He is very patriotic and says if he is called he will gladly serve his adopted country, the U S. A. Mori is an Italian by birth, was reared in South America and took out his citizen papers about two years ago.

Doctors Hoffman and Schumm, new veterinary surgeons, are in Sonoma where they will establish themselves as veterinarians. The doctors are graduates of the San Francisco College of Veterinary Surgeons and Dr. Hoffman comes from Oakland, He at one time practiced with Dr. Arburua who is now in the army.

Their Sonoma offices at present are in the Union Hotel. See their card in another column.

The Glen Ellen Womans Club tendered a pleasant farewell this week to Mrs. A. E. Gaige whose leavetaking for Sacramento is being much regretted. Mrs. Gaige has been a loyal and active member of the club since its organization.

Mr. and Mrs. Ray Poppe of Modesto have been receiving a visit from Mrs. Poppe's mother from Healdsburg.

Joseph Gilmaker, F. C. Koenig, J. Boges and A. Erickson of Glen Ellen were drawn on the jury in the suit of Miller-Gobbi vs. John Cordano, a prune grower, who is being sued for non delivery of fruit on contract.

Miss Bessie Venton was taken quite ill this week and has been taken to the Crane sanitarium.

Carlos Emparan was up Sunday and remained over for the election Monday.

On complaint of Dr. Butler of the State Home, an employee was discharged for taking bread from the institution and hiding it on the lawn from where it found its way into the employee's car. Dr. Butler himself is said to have discovered the miscreant.

Deputy Sheriff Murray and wife are taking much pleasure out of their new Cheverelot car.

Miss Mary Springer has returned home from a pleasant visit to Mrs. Ted Whitlow in San Francisco.

Miss May Bunting is up for the summer.

Mrs. Frank Weaver has been confined to her bed with grippe but is now reported much better.

Mrs. Albert Rossi returned to Port Costa on Tuesday.
